### About After School Art

I will let the students know a week in advance if an after school art day is cancelled due to a school holiday or another conflict. I really want to give students this opportunity to work if they have been absent on an art day or feel like they need extra time. This time can also be used to work on extra projects just for fun or bring in projects from home. It is also a way for students to get to know students from other grades. Students who attend frequently will become a member of this unique club. Please make sure that you and your child make arrangements for a ride home. Transportation is the parent's or guardian's responsibility. If you have any questions or concerns, please email me at
