

## *Principal's Welcome-*

*Welcome to Unity East Elementary! Whether your child is a returning student or starting Unity East for the first time, we hope that you find the Unity East School Community a caring, supportive environment that nurtures your child's developmental, academic and social emotional growth.*

*The school theme at Unity East this year is Quest for the Best. This year we will challenge ourselves as educators to give our best to our students and each other in all that we do. We will challenge our students to give their best in all aspects of the school community. It is our goal that the Unity East Experience provides our students with the "wings" to become life-long learners and thinkers. We recognize that this goal is best achieved in a collaborate effort among home, school, and community.*

*Thank you for entrusting us with your child. We are humbled by the task and take our role in your child's life very seriously. Should you have any questions or concerns during the school year, please don't hesitate to contact me. Thank you for the opportunity to work with your child this year.*

*Sincerely yours,*

*Laura Fitzgerald*
