New VIP Classes

Students will be starting their third round of VIP classes on Monday. Most students will be working with books called ISAT Coach. This program teaches test

taking strategies and will help them prepare for ISAT testing in March. Third through fifth grades take ISAT tests as well as middle schoolers and high schoolers. It is important to prepare the third graders especially for the new format that they will encounter while taking this test. Students really seem to enjoy VIP time where they are working with students from other grades and classes. They are learning so much! They love to share the things that they are doing in VIP!

Book Reports

Many students are having a hard time finding a biography book for their upcoming book reports. We will work during library next week to find them and then begin talking about the report format. Look for information next Friday instead of this week. Have a great weekend!
