

NICOLETTE GAZETTE

Unity East nicolettes@unity.k12.il.us May 21, 2010

What did we do in school this week?

Mark your Calendar:

June 1st – Talent Show @ 1:30 pm
June 2nd – Fun Day
June 3rd – No School, Teacher Institute
June 4th – Report Card Day, Dismiss @ 9:15am

Fun Day Tidbits!

Wear your Tye-Dye shirts on Fun Day! We want to parade out together as a team!
Send sunscreen, students will need it.
Lunch is provided-no need to pack a lunch.

Math

We have done lots of measuring with inches and centimeters! We have also learned about different shapes and their characteristics (in 2-D and 3-D)! Students made two shape books and experimented with geo-boards. We have still been reviewing addition and subtraction as well- quite a lot for the last week of school!

Reading & Writing:

Students have done a great job reading out loud to the class!

We wrote thank you letters to Rockome Gardens!

We have been reading and writing lots of poems!
Even jump rope poems!

Dear Parents,

The last official newsletter of the First Grade Year! Can you believe after next week, you will have Second Graders???? I will miss all of my students as they move on the 2nd grade. We have had a great year with lots of fun activities and lots of hard work! I appreciate all their effort to work hard and make good respect choices. Have a great summer and don't forget, students will be bringing home a special "project" for summer on Tuesday!

Have a great Memorial weekend, Mrs. N.
