Activities:

Be sure to go for a walk and look for bugs.
Our last unit is on bugs and insects!

Continue to sing the ABC's and look
around for letters in their names.

Our rhyming is coming along, but any
extra help we could have would be great!

Units of Study:

Our last unit will be covering bugs and
insects. The boys have loved to go on walks
and see all the bugs around Unity East. Some
activities we will be doing is examining what
bugs look like up close and making our own
bugs for the room.

It is impossible for a man to learn what he thinks he already knows.

From the Teacher's Desk:

- This week the Humane Society came to Unity East and we got to meet a bunny!
The boys all got to pet him and feel his soft fur!
- Fun day for the students will be on May 22!
- Summer School dates will be May 30th - June 22nd
