

# 4P WEEKLY NEWSLETTER January 27, 2012

## ***What are we studying?***

- ***MATH: Measurement***
- ***VJP MATH: geometry***
- ***READING: JSAT Coach***
- ***TEAM READING: Figurative Language***
- ***SOC. STUDIES: Southeast Region***

Ask your child about our arrangement for our 4P class picture this week. The kids designed it !!! Pretty cool!

Our new projector has power!!!! Boy, are we loving it! Good-bye old transparencies!!!

AT class meeting last week, the class discussed whether they would like to give out valentine cards/candy to each other on Feb. 14. It was an absolute YES! The only requirement is if they give a card/candy to one or a few students in our class they need to give one to everybody!!

The 4<sup>th</sup> Grade Teaching Team is planning a math activity for February having a Valentine theme. Look for more details later and how you can help out by contributing to our needed supply list.

## **CHARACTER COUNTS**

Unity East's focus character pillar for January is Responsibility. We have posted reminder notes on our desks to help us remember our responsibility to ourselves to be responsible. Ask your child in what ways they are responsible and what things they are going to work on.

Please feel free to contact me by e-mail. This is really the easiest way to get a hold of me during the day. I try to check it first thing in the morning, lunch, and after school.

*Have a TOTALLY AWESOME weekend!!!!*
